

2020 Happy Campership Application

Through the generosity of generations of campers and supporters of our summer camping program and in partnership with local churches, we can offer scholarship funds for those families who, for various reasons, are not able to afford a camp experience for their child.

The Application Process

- Complete the attached application in full and return it to:
 - Spring Heights
 - ATTN: Happy Campership
 - 2067 Barrcut Rd.
 - Spencer, WV 25276
- To be considered for Happy Campership, this form must be presented to the Office by June 1 or at least two-weeks prior to the camp week of your choice if after the June 1 deadline.
- **This form must accompany a completed registration for summer camp.** Registrations can be downloaded at www.springheights.org (a \$100 deposit required for registration) and mailed along with this application.
- Upon receipt of your application, your church will be contacted to inquire about their assistance in the scholarship requested. We believe that your church making an investment in your camper is an important part of fostering a nurturing relationship between your camper and their faith community. An investment from your church is not required.
- Submitting an application for scholarship does not automatically enroll your child in a camp. Camp registrations fill up on a first come, first serve basis. If you would like to guarantee a spot for your camper in a particular camp while your scholarship application is processed, please complete the \$100 deposit with your camper registration form.

Happy Campership applications are completed as quickly as possible, allowing adequate time for communication with churches and referrals. If you have any questions about the scholarship application process, please contact the Camp Director at amy@springheights.org.

You will be contacted once the process is completed and provided with further instructions for your camper. NOTE: campers are required to have health forms completed by a physician and a physical that is less than 12 months old to attend camp. Early application will ensure you have enough time to complete the other necessary steps for camper participation.
